

### Abrasaflex

**Part No.:** AFD

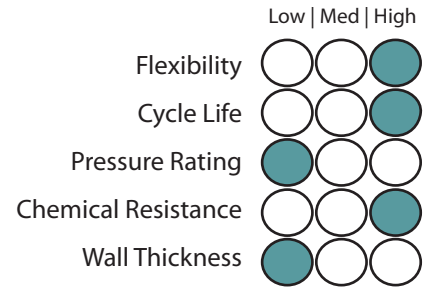

**Colour:** Black

**Construction:** Neoprene Rubber Coated Polyester Fabric with natural rubber lining

**Reinforcement:** Spring Wire Helix

**Size Available:** 2" - 18"

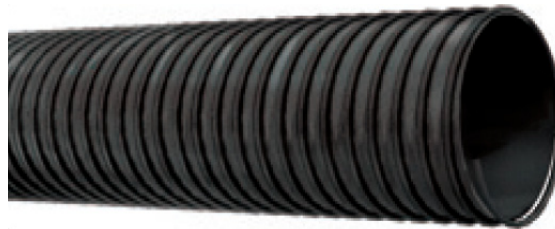

**Temperature:** -30°C +120°C

### Construction

**Use:**

Abrasaflex is constructed from neoprene rubber coated polyester fabric with a natural rubber lining and reinforced with a spring wire helix. This duct is suitable for heavy duty gravity fed abrasive materials.

### Specifications

Part Number	Nominal Dia.		Min. Bend Radius	Coil Length
	Inches	I.D (mm)	mm	m
AFD-51	2"	51	306	5
AFD-63	2 1/2"	63	378	5
AFD-76	3"	76	456	5
AFD-89	3 1/2"	89	534	5
AFD-102	4"	102	612	5
AFD-114	4 1/2"	114	684	5
AFD-127	5"	127	762	5
AFD-152	6"	152	912	5
AFD-178	7"	178	1068	5
