

RAWHIDE

Part No.: RAWHIDE

Material: Nylon

Reinforcement: Densely woven, multi-filament nylon

Size Available: 23mm - 93mm

Temperature: -50°C +121°C

Construction

Use:

Protection of individual hoses from severe abrasion. Provides a cost effective method of bundling hoses together, while providing abrasion resistance to the bundle. When abrasion occurs, the thousands of tiny filaments in the sleeve bulk up, to continually renew the surface.

Specifications

Part Number	Nominal Dia.
	(mm)
RAWHIDE-23	22.9
RAWHIDE-27	26.9
RAWHIDE-31	31.0
RAWHIDE-36	36.0
RAWHIDE-46	46.0
RAWHIDE-56	55.6
RAWHIDE-61	60.5
RAWHIDE-67	66.8
RAWHIDE-73	73.2
RAWHIDE-93	93.0
