

### LAYFLAT

**Part No.:** IH-LAY

**Construction:** PVC with low pressure stability

**Colour:** Red & Blue

**Reinforcement:** Polyester Braided

**Size Available:** 2" - 4"

**Temperature:** 0°C +50°C

#### Construction

**Use:**

PVC lay flat hose is commonly used a cheap alternative for abrasion resistant and chemical splash cover over braided hose assemblies. Lay flat hose is available in long lengths and suitable for temperatures 0°C upto 50°C.

#### Specifications

Part Number	Nominal Dia.	
	I.D (mm)	O.D (mm)
IH-LAY-25	25	27
IH-LAY-32	32	35
IH-LAY-38	38	41
IH-LAY-50	50	53
IH-LAY-65	65	68
IH-LAY-75	75	78
IH-LAY-100	100	104
IH-LAY-125	125	129
IH-LAY-150	150	154
IH-LAY-200	200	204

#### Applications
